

## Have you got what it takes to ride from the Mount Victoria to Manly Beach?

---

Come join us on the most exhilarating ride organised for 2012 – the Blue Mountains to Sea or as we will now call it - BM2C! This event will test even the most hardened Mountain Bike Racer as riders tackle all sorts of terrain from single track to fire trails to secondary roads and even manicured cycle path on the quest to touch the beautiful sands of Manly beach.

The event is planned for the 24<sup>th</sup> – 25<sup>th</sup> November and covers over 180km and descends from the lofty heights of Mount Victoria (1111m) to the sea at Manly Beach (0m). The event will have dedicated support crew who will look after all your gear as well as supply you with food, water and the odd energy boost or two!

The ride is a pairs event and a mixture of race and cruise stages. Numbers are **strictly** limited. The cost is \$270 per rider and includes 2 nights' shared accommodation, most meals and support crew costs.

This is a once in a lifetime chance for you and a mate to have ultimate bragging rights to say that you rode from the highest point in the Blue Mountains to the Sea! And these rights can go on *forever*.....
